SUBJECT: Upcoming Fitness Test Requirements – INCOMING RECRUITS – “375”

The Physical Fitness Standards adopted by the P.O.S.T. Council took effect on December 1, 1995. The Council-established minimum physical fitness norms are now "a condition of appointment to a position of probationary candidate (Police Officer) in a law enforcement unit" and also "a condition for entry into, and continuation in, a Council accredited B.L.E.T. program." The Council also adopted a policy of allowing the entry into a basic training program if the individual demonstrated his/her compliance with the standards within a **thirty (30) day period prior to the beginning of the program.**

The 375th Session is scheduled to begin on FRIDAY, June 3rd, 2022 therefore, THAT THIRTY (30) DAY PERIOD FOR THE 375th SESSION IS BETWEEN WEDNESDAY MAY 4TH, 2022 AND FRIDAY, JUNE 3rd 2022.

Please find enclosed a packet of documents which you should use to document your candidate's compliance with the fitness standards and to ensure your candidate's physician certifies that your candidate may safely participate in the related fitness programs. Please make the necessary number of copies of the Medical Approval Form.

You may have your candidate establish his/her compliance in one of three (3) different ways explained below:

OPTION #1:

You may have your candidate tested and pre-certified by any "**certified fitness specialist**". A list of current Fitness Specialists may be obtained by calling Officer James Nemphos at 203-427-2611, email to James.Nemphos@ct.gov or refer to the POSTC website.

The fitness specialist who performs the pre-certification fitness tests for your candidate(s) will then fill out, and sign, the "**PHYSICAL PERFORMANCE EXAMINATION CANDIDATE SCORE SHEET**" enclosed in the fitness packet. Your candidate(s) will then be accepted into the 375TH Session based on the fitness specialist's certification that the candidate has been tested (i.e. pre-certified) within the cited thirty (30) day period and successfully demonstrated compliance. The candidate

may be tested as many times as he/she desires, and you, and the Certified Fitness Specialist, allow.

If you choose this option, please make sure that the following is completed:

1. Have the candidate's doctor sign the medical form included in the enclosed fitness packet before the candidate appears for fitness testing. NOTE: **The doctor's form requires that he/she sign that he/she has seen the description of the Council's Fitness Tests and Fitness Programs (included in the fitness packet) and he/she certifies that your candidate may safely perform those tests and participate in the programs.**
2. Have your candidate present both the fitness packet, with the medical form signed, to the Fitness Specialist.
3. Have the Fitness Specialist complete and sign the "PHYSICAL PERFORMANCE EXAMINATION CANDIDATE SCORE SHEET". When the "MEDICAL FORM" and the "PHYSICAL PERFORMANCE EXAMINATION CANDIDATE'S SCORE SHEET" are properly signed, send them here to our Basic Training Division. If we do not receive them prior to Orientation Day, they will be required of your candidate at that time.

OPTION#2:

You may have your candidate tested (i.e., pre-certified) by staff personnel here at the Connecticut Police Academy, by notifying us and your candidate that you want him/her to report here at **0900 hours on THURSDAY MAY 12TH, 2022 with the enclosed doctor's permission form properly completed by the candidate's doctor.**

We will then test your candidate and sign the "PHYSICAL PERFORMANCE EXAMINATION CANDIDATE SCORE SHEET" and place it on file here for you. By scheduling your candidate(s) to attend this pre-certification physical fitness test, you will receive notification from us, by the end of the day or early the next morning, whether your candidate has successfully demonstrated compliance and, if so, will be admitted to the Academy for the 375TH Session.

If you cannot, or choose not to, take advantage of Option #1 or Option #2, or if your candidate fails to achieve a passing score on our pre-certification testing date, we might be able to schedule him/her for another test date but these other dates will be on an "as, and if, staff is available" basis.

OPTION #3: (PENDING COVID RESTRICTIONS)

If your candidate is NOT pre-certified, under either Option #1 or #2 above and COVID restrictions are not in place, you may have him/her report, as in the past, to the Academy for orientation and physical fitness testing on **THURSDAY JUNE 2ND, 2022.**

Your candidate will be tested at that time, and if he/she successfully demonstrates fitness, will be admitted into the program. If he/she does not successfully demonstrate fitness, he/she will not be accepted into the program and your department will be notified accordingly.

Should you desire to register your candidate(s) to be tested for pre-certification here on **Thursday May 12th, 2022**, please contact Training Officer James Nemphos at our Basic Training Division at (203) 427-2611 to register the candidate. You may register one candidate for each of the seats you have tentatively reserved in that Session.

The candidate will need to bring the following on the testing date:

1. Clothing suitable for taking the tests (including the 1.5 mile run outdoors).
2. Appropriate photo identification (i.e. driver's license).
3. The medical form completely filled out with all required signatures.

NOTE:

"To complete the Basic Law Enforcement Training program and achieve initial certification as a police officer, probationary candidates must complete a demonstration of physical fitness at the 40th percentile (as measured by the currently in place four standard tests) effective for all probationary candidates."

Should you have any question on this topic please contact OFFICER JAMES NEMPPOS at 203-427-2611 or email James.Nemphos@ct.gov.
